NOTES:

*TBD: Coaches will coordinate available players.

**Bonus Games will be determined by coaches as we come to the end of the season (possibly an all girls game, etc.)

-Although Salem is a recognized team, they opted to combine with Princess Anne because both teams only had 7 players.

-Princess Anne and Salem are our "community" teams, meaning they are open to any high school students within the VBCPS system without an official team. We currently have players from First Colonial, Green Run and Tallwood on those teams.

-Our fall Kraken Team (private school, home school, Chesapeake school players) would like to scrimmage some of our players during the season at their practice location, Virginia Wesleyan. Wesleyan pool time is Tues/Thurs 6:30-8:00pm. Stay tuned for these opportunities!
